spencershone2016@gmail.com

PROFESSIONAL PROFILE

Reliable and motivated Commercial Installation Operative with more than six years of hands-on experience across retail fit-out, warehouse storage systems and commercial installation projects. Started working with 4SiteOnline at age 15 and continued through Juswrk until April 2025, building strong practical skills on live sites throughout the UK. Known for learning quickly, adapting to unfamiliar tasks, working safely and contributing positively to site teams.

CORE CAPABILITY

Retail fit-out	Heavy-duty racking	Gondola systems	Warehouse optimisation
Box rail systems	Lighting and signage	Camera installation	Live-site working

EMPLOYMENT EXPERIENCE

SHOPFITTER & INSTALLATION OPERATIVE | Jan 2019 - Apr 2025

4SiteOnline / Juswrk / DJ Retail - UK and European projects

Delivered shopfitting, storage and commercial installation work while subcontracted to a broad range of principal contractors. Worked in supermarkets, department stores, hospitals, warehouses and distribution centres, often in fast-paced or live customer environments.

- Installed and removed retail gondolas, bespoke clothing displays and shop-floor fixtures.
- Installed, removed and repaired light-duty, heavy-duty, push-back and cantilever racking systems.
- Completed cage infill and warehouse optimisation works, including racking location identifiers.
- Installed and removed box rail systems, retail fridges and freezers.
- Installed neon and LED signage, linear lighting and camera equipment.
- Worked from site instructions and safety requirements while meeting programme deadlines.
- Used hand and power tools safely and maintained a professional standard of workmanship.
- Worked effectively with different contractors, site managers, trades and customer-facing teams.
